

Welcome. This is Behrouz Bolourian Haghighi (B.BH). I was born in Mashhad, Iran, in 1991. I received my B.Sc. degree in software engineering from Islamic Azad University of Mashhad, Iran, in 2013 and M.Sc. in artificial intelligence and robotics from Ferdowsi University of Mashhad (FUM), Iran, in 2017. I have been beginning my Ph.D. in artificial intelligence and robotics at FUM in 2018. My research interests include Data Hiding, Image processing, and Machine Vision applications. My current research focuses on incorporating Deep Neural Networks and Probabilistic Graphical Models to design Steganography/Steganalysis algorithms and interpret Remote Sensing Images.
